DPF 5450X **X-Scape**[®] TECHNOLOGY

Etched glass printable vinyl DPF 5450X offers excellent opportunities in decoration and design on a variety of glass surfaces and more, both indoors and outdoors. This film is the perfect solution for adding privacy without compromising natural light. The air channels of the Low-Profile X-Scape Technology[®] enable smooth repositionability of the graphics, counting quick and bubble-free installations. A dry application technique facilitates swift positioning and results in a cleaner outcome for directly completed installs, no follow up needed. Enjoy creating aesthetically pleasing surfaces with DPF 5450X.

Unique Features:

- ▶ Added privacy without compromising natural light
- ▶ Dry application technique results in a faster and cleaner process
- ▶ Low-Profile X-Scape Technology[®] allows repositionability of graphics with ease

Applications:

- ▶ Windows
- ▶ Glass
- ▶ Mirrors
- ▶ Partitions
- ▶ Displays

Categories:
