DSQ has developed into a true trendsetter and a reliable destination for customers seeking wholesale solutions. We help the sectors like sign makers, digital print houses, POS/POP makers, fit-out companies, event managements, & glass & aluminium fabrication industries. we promise to take your business to stand head

# The compact colour printer, with massive performance

**Meet the small colour printer that doesn't compromise on cost effectiveness, productivity or efficiency.**

For organisations where space is at a premium, buying a compact printer traditionally meant compromising on quality, productivity or running costs.

Not anymore. The C650 from OKI, delivers the performance, media handling and cost-efficiency of a workgroup device, in the format of an A4 colour desktop printer.

Make short work of everything from marketing collateral to customer invoices with high-speed printing in rich LED colour. Full front access means the device is not only tiny but also fits into the tightest of spaces with no requirement to open any side of the device except the front throughout the life of the printer. Durable components ensure reliability long into the future. And, with running costs designed for heavy use, the C650 makes high-volume, high-quality colour printing inexpensive and efficient

The C650 thrives anywhere space is tight and performance is a priority. Whether you need a durable device that can survive the rough and tumble of the warehouse floor, or to slot neatly into an enclosed space in a kiosk or on a production line, while being equally at home in the backoffice where demanding users require high print volumes and excellent quality, the C650 provides the flexibility to adapt to the specific needs of your business.

## Ideal for any business – especially those where space is at a premium

With Space Saving Technology, the C650 thrives where space is tight and performance is a priority. It's durable enough for warehouse use and can slot neatly into an enclosed space in a kiosk, or on a production line and is equally at home in the back office.

- Small frame requires the minimum amount of space
- Full front access makes maintenance easy and reduces space required to service device
- 48% metal construction increases reliability and durability

## Not just small – fast and flexible too, with superior print speed and diverse media handling

The C650 makes short work of everything from visual communications and marketing collateral to customer invoices, helping businesses adapt quickly and cost efficiently to changing circumstances, by enabling them to print everything they need in-house and on-demand.

- Provides the best media handling in its class
- High-speed printing with exceptional quality in rich LED colour
- Prints at 35 A4 pages per minute
- Prints with ease on media as light as 60gsm and up to 256gsm, as small as B8 or up to 1.32m long

## Not just small – fast and flexible too, with superior print speed and diverse media handling

The C650 makes short work of everything from visual communications and marketing collateral to customer invoices, helping businesses adapt quickly and cost efficiently to changing circumstances, by enabling them to print everything they need in-house and on-demand.

- Provides the best media handling in its class
- High-speed printing with exceptional quality in rich LED colour
- Prints at 35 A4 pages per minute
- Prints with ease on media as light as 60gsm and up to 256gsm, as small as B8 or up to 1.32m long

## The long-life printer designed to deliver true ROI

Designed for a very long life, the C650 is built to print, and print, and print, perfect for high volume and high coverage colour printing.

- Long life and high duty cycle
- Separate toners and drums ensure the maximum usage of all consumables
- All consumables are user changeable with no hidden surprises

## The printer with a lower environmental impact

Environmental responsibility has become a key driver for consumers and businesses alike. The C650 isn't just a compact printer – it also has reduced impact on the environment compared to other printers.

- Small size and innovative design uses less plastic than comparable devices
- Lowest proportion of plastic used in an OKI colour printer
- Robust and durable metal makes components last longer, reducing waste
- Revised toner cartridge design reduces the logistical footprint while maintaining high capacity
- Smaller device and toners require significantly less packaging

## The C650 – a small printer with big capabilities – perfect for any industry

The C650 is right at home in a range of different sectors particularly when space is tight and performance is a priority delivering fast, reliable, professional quality printing of a variety of applications from one small device.

Retailers need to react quickly to shifting conditions such as price changes, promotional offers, new product lines and evolving market and social trends, encouraging shoppers through the door and engaging with them in-store, to help influence purchasing decisions and increase basket value. The C650 empowers retailers to achieve this through the power of visual communications. Having the flexibility to print everything on-demand when needed, from everyday documentation to vibrant and eye-catching POS and promotional material including freestanding and hanging banners, social distancing signage, floor and window stickers and beyond. The C650's unique Space Saving Technology makes it ideal for busy retail environments where space is at a premium. In retail both space and time is money and the C650's design and robust construction ensures it uses minimum space and is always available.

# Product Specification

Printing Resolution	600 x 600 dpi
	1200 x 1200 dpi
	Physical dot pitch: 1200 dpi
Warm-up Time	Approx. 20.0 seconds from power-on
	Approx. 11.0 seconds from power save
First Print Out Time	Color: Approx. 6.5 seconds
	Mono: Approx. 6.5 seconds
Print Speed	A4 35 ppm color, 35 ppm mono
Interface	1000BASE-T/100BASE-TX/10BASE-T, USB 2.0 (High Speed), USB 2.0 (High Speed) Host, (Optional) Wireless LAN (IEEE802.11a/b/g/n)
Protocol	TCP/IP
Printer Language	PCL 6 (XL) emulation, PCL 5c emulation, PostScript 3 emulation, PDF v2.0 emulation, IBM ProPrinter emulation, Epson FX Emulation
Supported OS	Windows 10, Windows 10 x64, Windows 8.1, Windows 8.1 x64, Windows 8, Windows 8 x64, Windows 7, Windows 7 x64, Windows Server 2019, Windows Server 2016, Windows Server 2012 R2, Windows Server 2012, Windows Server 2008 R2, Windows Server 2008, Windows Server 2008 x64, macOS 10.15, macOS 10.14, macOS 10.13, macOS 10.12, OS X 10.11, iOS, Chrome OS, Android
Memory (Std./Max.)	1GB/1GB
Font	PCL emulation 87 scalable fonts, 4 bitmap fonts, PostScript emulation 80 fonts
Paper Size	A4, A5, A6, B5, B6, B6 Half, B7, B8, Letter, Legal 13, Legal 13.5, Legal 14, Executive, Statement, 8.5" SQ, Folio, 16K, Index Card (3" x 5") (75 x 125mm), Photo Size (4" x 6", 5" x 7") (100 x 150mm, 125 x 175mm), Envelopes, Postcard, Return postcard, Custom Size: Width 55-216 mm x Length 91-1321 mm
Paper Weight	Tray 1 : 60 – 256 gsm
	Multi-purpose tray : 60 – 256 gsm
	(Optional)Additional Tray : 64 – 176 gsm
Input Capacity	Tray 1 : 250 sheets
	Multi-purpose tray : 100 sheets
	(Optional)Additional Tray : 530 sheets

Output Capacity	Face Down : Max. 150 sheets Face Up : Max. 100 sheets
Dimensions(WxDxH)	395 x 430 x 290 mm
Weight(includes supplies)	Approx. 28.2 kg
Weight(not includes supplies)	Approx. 24.6 kg
Operating Environment	Operating: 10 - 32 °C, 20 - 80 %RH No condensation
Power Source	Single phase 220 - 240 VAC ±10%, 50/60 Hz ±2%
Power Consumption	Operating: Max. 1,150W / Ave. 840W Idle: 20W Power Save: 14.0W Deep Sleep: 1.1W Auto-Off: 0.15W
Safety& Environment Regulation	EMC-Directive, CE Mark, GS Mark, RoHS
Noise Level	Operating :Approx. 54 dBA Idle: < 32 dBA Quiet Mode: < 51 dBA Power save: Background level
Duty Cycle	Recommended: 8,000 pages/month Maximum: 100,000 pages/month
