## PRODUCT OVERVIEW

Kickstart your business with the Sawgrass SG500, the only desktop printer designed for sublimation. With low start up and running costs, you'll soon be creating customized products with vibrant HD images - quickly, easily and profitably.

Designed to minimize ink and power consumption while maximizing quality and efficiency, the SG500 enables you to create the highest definition images with the lowest per image cost.

In addition to design improvements such as a single roll-bar, the SG500 is more energy-efficient, prints with higher resolution, and offers WiFi connectivity. This means you'll enjoy higher quality products and greater ease of use.
