## PRODUCT OVERVIEW

Extend your product range profitably with the versatile Sawgrass VJ 628, the world's first fully integrated 25", 8-color desktop sublimation printer. Bring photography, fine art and signs to life with vibrant colors, deep blacks and neutral grays. Improve efficiency and reduce costs for high volume product creation.

The VJ 628 offers efficiency for high-volume customization and precision for personalized products. Patented intelligent interweave technology eliminates banding, and 8-color ink sets provide optimal output for photo panels, textiles, fine art and fluorescent applications.

The compact design only requires 7sqft (0.7sqmt) of space, but still enables you to print a full bleed on 24" (610mm) products and able to create realistic, photo-quality images up to 1400 x1400 dpi.

# PRODUCT OUTPUT

# PRODUCT SPECIFICATION
