About Digital Star

Source Of Digital Solutions

Welcome to Digital Star, your trusted partner in the world of cutting-edge printing solutions. As a leading printing machines, materials, and ink authorized dealer in Doha - The State of Qatar, we pride ourselves on delivering state-of-the-art technology that empowers to achieve unparalleled levels of efficiency and quality.

At Digital Star, we understand the pivotal role that printing machinery plays in the success of your operations. With a commitment to innovation and excellence, we curate a diverse range of top-tier printing machines to meet the unique needs of our clients. Our product line-up reflects the latest advancements in the industry.

As a responsible printing machines supplier, we prioritize sustainability. Our commitment to eco-friendly practices is reflected in the products we offer, promoting energy efficiency and environmentally conscious manufacturing processes. When you choose Digital Star, you're not just investing in cutting-edge technology - you're partnering with a company that values the planet as much as your success.

MINI CRAFT HEAT PRESSES

GENERAL INFORMATION AND HIGHLIGHTS

This Matrix Mini Craft heat press is an ideal choice for home use and DIY design. Due to its small size, it is lightweight and easy to carry and operate. It is suitable for pressing small items such as T-shirts, hats, handbags, masks, socks, etc. Especially, the small and compact heat press is perfect for uniquely shaped and extra small projects with hard-to-reach places, such as shoes and stuffed animals.

It heats up quickly and is durable. Adopted high temperature resistant materials, so it is safe to use. The compact heat press has 3 heat setting levels, which can meet the needs of different and unusual heat transfer projects.

- Low temperature: 284°F(140°C)
- Average temperature: 374°F(190°C)
- High temperature: 491°F(255°C).

With 3 modes with one button, you can easily control the heating degree to meet your different transfer needs. The mini heat press machine can be widely used in small businesses such as craft shops, boutiques, gift shops, etc.

Let's enjoy the fun of DIY with this mini heat press! It is also a good choice to make birthday, Christmas and anniversary gifts for your family or lover.

POWER SETTING (Press the Button)

Low Temperature:

- H
- M
- L ≈140°C ≈284°F
